

# 20TH ANNUAL SUMMER BRASS INSTITUTE

June 19 - 24, 2022 St. Mark's Episcopal Church, Highland, MD

"The Monumental Brass Quintet puts on a fantastic summer seminar for brass students. I highly recommend this camp..."  
- Rodney Marsalis - internationally renowned trumpet soloist and leader of The Philadelphia Big Brass

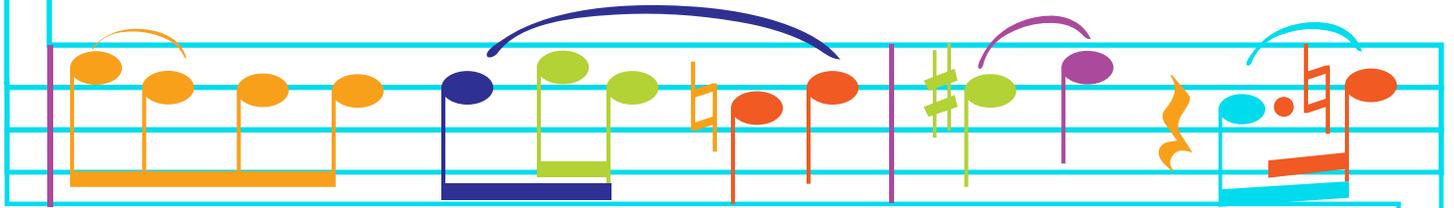

A unique learning experience inspiring better brass musicians for 20 years!

The Monumental Brass Quintet Players: John Banther - tuba, Heidi Brown - horn, Gregory Freeman - trombone, Michael Lowe - trumpet, Patrick Whitehead - trumpet

# SUMMER BRASS INSTITUTE

SBI maintains an open door policy accepting all brass musicians from grades 5 - 12, the only requirement being one year of training as a member of your school band.

Since its inception in 2003, SBI has evolved as a place of inspiration for many young brass musicians throughout the central Maryland region. Many participants have gone on to become members of Maryland All State Bands and Orchestra, all county bands, and regional youth orchestras. Some former SBI participants now lead exciting professional careers in music.

In addition to being dynamic performing artists, members of the Monumental Brass Quintet are all passionately dedicated to the art of teaching. Come and let members of the Monumental Brass share their joy of music making with you! Experience the joy in playing brass chamber music in mixed and like instrument ensembles. Improve and expand your skills and musicianship. Learn new approaches and techniques. Explore the world of improvisation. Each morning begins with a healthy group warm up routine of stretching, breathing and buzzing. All participants play in small chamber groups and large brass choirs. This year's SBI will feature exciting interactive masterclasses covering sight reading, aural training, and improvisation!

## Summer Brass Institute 2022 - In Person Camp

Sunday, June 19th
